TENTATIVE MASTER CLASS SCHEDULES

The tentative master class schedule provides a listing of the class offerings that will occur throughout each dance day. Keep in mind, the times and classes listed are tentative and subject to adjustment. We want everyone to have a super time and this allows us to further customize your experience.

Adjustments: During the Coaches / POC segments, the staff will ask for feedback. Please feel free to provide your honest opinion to assist the staff in adjusting throughout the rally. It's always nice to adjust as requested to ensure all dancers leave the rally feeling like they had a BLAST and learned some "cool" material. The Dance staff will be onsite and can assist you with your needs.
